ACADEMIC POSITIONS

- University of California, Santa Barbara** July 2025 – Present
Assistant Professor
Department of Psychological and Brain Sciences
Department of Anthropology
- University of California, Berkeley** Dec. 2022 – July 2025
UC President’s Postdoctoral Fellow
Dept. of Psychology
Advisors: Alison Gopnik and Jan Engelmann
- The Max Planck Institute for Evolutionary Anthropology, Leipzig, Germany** Aug. – Oct., 2022
Visiting Postdoctoral Researcher
Advisors: Erica Cartmill and Christopher Krupenye

EDUCATION

- Harvard University, Cambridge, MA** Aug. 2016 – May 2022
Ph.D., Dept. of Human Evolutionary Biology
Thesis Committee: Jason Mitchell, Martin Surbeck, Erin Hecht, Josep Call, Christopher Krupenye
M.A., Dept. of Human Evolutionary Biology June 2018
- The University of St Andrews, St Andrews, Scotland** July 2018 – July 2022
Visiting Scholar, School of Psychology and Neuroscience
Advisors: Josep Call and Christopher Krupenye
- Duke University, Durham, NC** Aug. 2012 - May 2016
B.S. with Distinction in Evolutionary Anthropology and Biology
Concentration: Behavior, Ecology, and Cognition
- The Summer School in Social Neuroscience and Neuroeconomics, Duke University** Aug. 2017

RESEARCH GRANTS, FELLOWSHIPS, AND AWARDS

- Wenner Gren Workshop Grant (\$20,000)** 2026
Wenner Gren Foundation Grant to support the development and implementation of the third iteration of the “Bridging the Technological Gap” Workshop at the University of Zürich, Switzerland

American Psychological Foundation (APF) Robert L. Fantz Memorial Award (\$1,000)	2025
Joachim Herz Stiftung Workshop Grant (€30,000)	2023
German government grant to support the development and implementation of the second iteration of “Bridging the Technological Gap” Workshop at the Max Planck Institute for Evolutionary Anthropology	
UC President’s Postdoctoral Fellowship (\$136,000)	2022
Postdoctoral fellowship through the UC President’s Office to support postdoctoral research with UC Berkeley Profs. Alison Gopnik and Jan Engelmann to explore the evolution of apes’ emotion perception	
Joachim Herz Stiftung Workshop Grant (€50,000)	2022
German government grant to support the development and implementation of “Bridging the Technological Gap” Workshop to teach early career researchers about technological innovations to study the cognition and behavior of humans and animals at the University of Göttingen, Germany	
Harvard Frederick Sheldon Traveling Fellowship (\$28,000)	2020
Travelling fellowship to support return to University of St Andrews as a traveling scholar for 12 months to conduct additional eye-tracking research on social cognition with chimpanzees and bonobos	
Harvard University Mind, Brain, and Behavior Graduate Student Award (\$6,000)	2018
Mind, Brain, and Behavior Interfaculty Initiative Graduate funding for research expenses as a visiting scholar at the University of St. Andrews, Scotland	
Harvard University GSAS Summer Predissertation Fellowship (\$3,000)	2018
Graduate school support for preliminary dissertation research	
Harvard Human Evolutionary Biology Departmental Research Funding (\$2,000)	2018
Departmental funding to support preliminary dissertation research	
NSF Graduate Research Fellowship (\$138,000)	2017 - 2022
Five year fellowship to support outstanding graduate students in STEM disciplines	
Harvard Presidential Scholar (\$10,000)	2016 – 2022
Fellowship program awarded to top graduate student applicants at Harvard University	
Harvard Graduate School of Arts and Sciences Fellowship (\$285,400)	2016
Harvard Graduate Fellowship for doctoral students	
Duke Dean’s Summer Research Fellowship (\$1,500)	2015
Research project comparing activity budgets of two baboon populations in Western South Africa	
Duke Global Education Summer Research Fellowship (\$1,500)	2015
Research Fellowship awarded for summer research conducted in Western South Africa	
Howard Hughes Research Fellowship (\$4,300)	Summer 2013
Research Fellowship program with project focus on lemur social communication
